givejedahand #oneBRAVEnight One Brave Night Johnny realized - #defeatdenial - #CAMH #supporters - like #dentdubos, #FleishmanHillard, #Aimia etc including #CAMHengage and #CAMHFoundation - tended to be #pr and #branding firms LEAST likely to #Endstigma. That obviously was not their intention - but to manipulate and exploit it and indeed to #SELL it as when they legitimize big donor corporations as #SAFE for your #mentalhealth. Then when you're unhappy you're #stigmstized as #mentallyill. It's a #scam! For #camhunderstanding read #FALSEADVERTISING! Brianna says with the right cape and her tiara she'll change the world. I suppose from that absurdity it's a small step to thinking you can cure #schizophrenia with an #allnighter at #thedrakehotel. WHY on top of all the #bullshit, must they be so #fuckingstupid?! #sunriseselfie
